

Kolkata Alliance - Kolkatan Armiya Giantchesky

My fellow Kolkata, we find ourselves in a position of technological disparity, lagging behind the advancements of the wider galaxy. Our people have been forgotten, once enslaved by others. Yet, in the face of this adversity, we must rise and seize our destiny. We shall bridge this gap with our ingenuity and cunning, employing unique tactics born from our resilience and determination.

Behold our greatest assets, the Voyna Uoker; our gigantic walkers of destruction. These formidable machines embody our strength and defiance, standing as symbols of our indomitable spirit. With them, we shall carve our path forward, reclaiming our rightful place among the stars.

Super-Heavy WarWalkers

Each time a troop with this ability makes a Normal, Advance or Retreat move, it can move over troops (excluding other TITANIC troops) and terrain features that are 4" or less in height as if they were not there.

Ruggard Vonya Uoker

When a singular troop with this ability falls Below Starting-Strength roll a D6: On a 3+ that model regains a D3 Wounds. This ability can only occur once per troop.

Kolkata Alliance - Kolkatan Armiya Giantchesky Doctrine Rule

If your Army is the Kolkatan Armiya, you can use one of these Combined Regiment Doctrine rules.

Boyars Unyielding

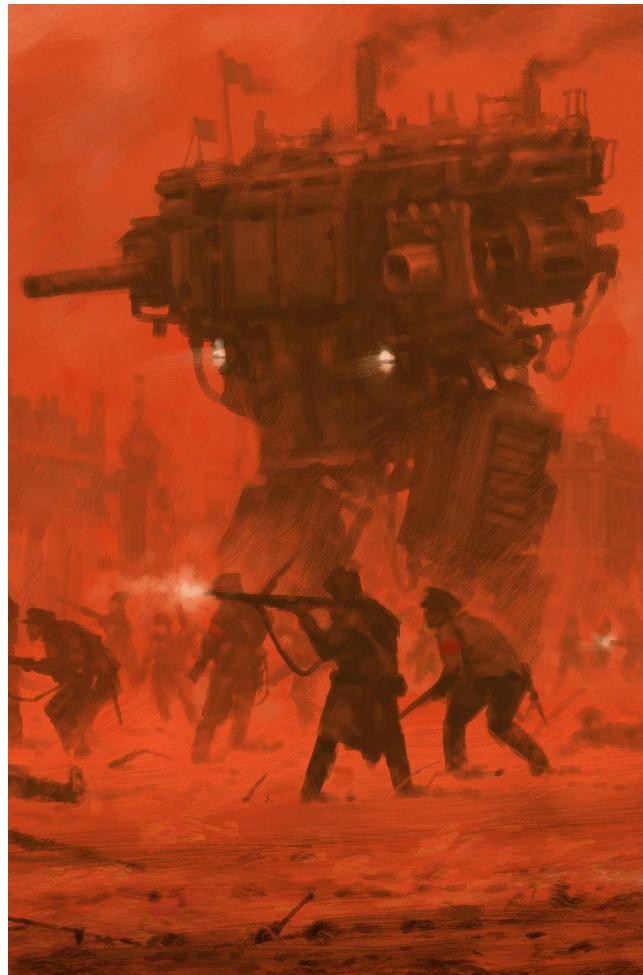

The Voyna Uoker of the Kolkatan Armiya Giantchesky stand as formidable machines, crafted through the amalgamation of stolen Autereium and Cent'Irum technologies. Their unparalleled resilience renders them unmatched on the battlefield, while their Boyar Pillotochka pilots represent the pinnacle of our strength and skill.

All BOYARIN troops from your army have their Movement, Hit, Wound, and Damage statistics improved by 1 if you have destroyed the enemy GENERAL.

Ushers of the Kolkatt

The minor Esquires, though not as esteemed and honourable as the Boyarin Voyna Uoker, are noble in their own right. They will fight until the very end to avenge or defend their leader.

All ESQUIRE troops from your army have their Movement, Hit, Wound and Damage statistics improved by 1 if your GENERAL is destroyed.

Kolkata Alliance - Kolkatan Armiya Giantchesky Enhancements

If you are using the Kolkatan Armiya, you can use these Enhancements.

Boyaric Presence

A Boyar never ceases to fight for the collective effort of the Kolkata alliance, they inspire all around them to fight for their freedoms forever..

Bannerchesky Bearer Eternal

The banner of the Kolkat is a great honour to carry, only given to the greatest Boyars of the Kolkata alliance.

CHARACTER troops only. If you control an Objective Marker at the end of your Manoeuvres Phase and the bearer is within range of that marker, that Objective Marker remains under your control even if you have no troops within range of it, until you opponent controls it at the start or end of any round.

Auterlite Vorotnik

Our people were once the organic servants of the Autereium machines, and we stole from them their technologies, the Auterlite Vorotnik is a specialised Wreathe blessing bestowed to only our greatest Boyars..

CHARACTER troops only. Each time an attack is allocated to the bearer, worsen the Armour Penetration statistic of that attack by 1.

If you are using the Boyars Unyielding doctrine rule, you can use these Enhancements.

Spirit Hevich

A Boyar is one the strongest individual troops on the entire battlefield, and everyone else knows it..

CHARACTER troops only. This troop adds 2 to its Battle-Effectiveness, if the troop is a BOYARIN it instead adds 4.

If you are using the Ushers of the Kolkatt doctrine rule, you can use these Enhancements.

Masterovka Machine

Despite their position as nothing more than assistants to their noble companions, the most worthy are considered to be near enough to the nobility.

CHARACTER troops only. This troop's Ruggard Vonya Uoker ability will always recover 2D3 Wounds instead.
